

Playin' It Cool with Penguins

Instructions: 1) Print this sheet. 2) Cut out the version of penguin you would like to make. The black & white outlined penguin allows you to customise the entire penguin, the coloured penguins are suitable for parents looking for a quick craft. 3) Glue the penguin body to hard card or a paper plate. 4) Cut it out. 5) For customised penguins, attach a orange piece of felt as the beak and googly eyes. 6) Cut an ice-cream stick into half to use as feet. Decorate the feet with orange felt. 7) Glue the feet horizontally to a second ice-cream stick. 8) Glue a round stick in the middle of this cross section. 9) Cut out the rectangle strip and fold into a triangle. 10) Stick the back of the penguin body to the triangle and ice-cream stick base.
