

You're One Fineapple!

Instructions: 1) Prepare leftover ang pows (money packets), preferably orange 2) Trace 6 to 10 circles on the ang pow envelopes using a cup or any round object. The more circles you create, the fuller your pineapple filling will look 3) ✂ Cut out the circles. 4) Fold each of the 6-10 circles in half. 5) Paste two of the circles together. Paste the inner white surfaces together. Repeat for the other circles. 6) Print out this sheet. 7) ✂ Cut the pineapple tart bases which size fit the best. 8) Stick the two unstuck ends of the half circles on the base 8) ✂ Cut and stick the star topping on the centre of the semi-dome to finish. Enjoy this snack for the eyes!
