Me!

I'm a certified coach, Enneagram & NLP practitioner and an active presenter & speaker. We are partners in these sessions, with the focus on your development

1-ON-1 *Coaching* IS A PROGRESSIVE JOURNEY

i. Discover Your Enneagram Type

You'll complete a 20-minute online questionnaire that surfaces who you are and what drives you.

ii. Report Debriefing Session

With your personal Enneagram profile report, the first 1.5-hour session will be centred around your motivations, strengths & stressors. This is done in-person, in privacy.

This report is packed with identifiers, prompts and actions and customised to your unique top 3 ranked Enneagram and instinctual subtypes.

iii. Deep Dive Coaching Sessions

In the subsequent 1-hour sessions, we use both the Enneagram and Neuro-linguistic Programming to identify development tools, review relationships and reflect on areas of growth that are unique to you.

We will practice ways that will help you be in a suitable state of mind before your interviews/presentations, and how you can effectively convey your thoughts.

We identify action points that you can apply in the long run, customised by your type and inner motivations.

Invest in Yourself

Your things can be taken away from you. Even the people around you can fade away. Self-awareness, self-acceptance and self-mastery, however, will stay with you for life.
